OPPORTUNITY

At One Day Immersion (ODI), we know how challenging it can be to find ready and eager talent. Our industry is in a constant state of change and we understand the pressure to stay relevant. That's why we've created a unique conference that gives you:

- ❑ Unprecedented access to nearly 400 of the best and brightest new talent who are highly prepared for an early career position,
- ❑ A way to showcase your company to potential consumers, and
- ❑ Direct connections to top executives who are creating new and innovative media and technologies.

The exclusive interaction between your company, students, and industry experts has unlimited possibilities. Here are just some of the ways to put your brand in front of the right audience:

- Highlight your company with a sizzle reel
- Host a table with your hiring managers
- Distribute branded giveaways
- Host interview sessions with prepared and ready individuals
- Test market your product and survey the audience on the spot
- Share your research, programming, or technology ideas with this demographic
- Conduct a focus group with the student attendees on a topic of your choice, provided by expert research company, Miner & Co. Studio

Just three easy steps to start capturing the best and brightest new talent and engage with the top industry experts:
